Dear Houlton School parent,

Re: Consultation for change of age range at Houlton School, Rugby

Transforming Lives Educational Trust are consulting stakeholders on the proposal to change the age range at Houlton School in Rugby, so it can educate children and young people from the ages of 4-18.

Currently Houlton School has a designated age range of 11-18 and is growing a year group at a time since it first opened in 2021.

Working with Houlton's master developer, Urban&Civic, a change in age range at Houlton School would make provision for the creation of the latest primary school places on the development as it grows.

The consultation will run from Monday 13 January 2025 to Friday 7 February 2025.

Yours sincerely,

James Higham | Chief Executive Officer
